IN THIS ISSUE: T&B ON DECK, SWIM CLINICS, DEVILS FOOD SIGN UPS, AUCTION VOLUNTEERS, COACHES REPORT, SUNBLOCK

T&B will be on the pool deck TOMORROW 4/1 and WEDNESDAY 4/2 from 4:30 to 7:15 pm. You may order your team suit, parkas sweats etc. Orders placed at this time will be delivered in approximately 3 weeks. If you do not order now, but elect to do so at a later date, you will receive your items AFTER a minimum order has been reached.

SWIM CLINICS There is still room in each clinic time for all clinics except the "Starts & Turns" clinic. Many families have not yet paid for their clinics and must do so prior to Thursday 4/3. Unpaid reservations may be released to a paying registrant. Please see Alicia or any other board member to make your payment.

DEVILS FOOD SIGN UPS binder is now available on the pool deck. As I am sure you have already ready in the handbook (did you?) we ask all families to help provide items for sale at our snack bar during meets. The snack bar is a large source of team income and we couldn't do it without our awesome snack bar leader Cheryl Clementson and you. Please review the binder and select 5 items to provide for the meets. You may choose 5 items on the same day, 5 of the same items on 5 days – whatever is easier for you.

AUCTION VOLUNTEERS who have signed up to help at the auction but have not selected a specific job, please do so immediately. The Volunteer Assignments book is now on the pool deck for your review. The Master Assignments list and Team Roster will be distributed later in the month in its very own e-mail.

COACHES REPORT: Two out of two coaches agree that your swimmers are improving! Attendance has been consistent. Both Kent and Jason suggest that if you are not seeing the improvement you expect, please be sure that you child is attending a minimum of three practices per week. Swim Clinics also come highly recommended by both coaches.

SUNBLOCK is a really great idea.

Thanks all and we'll see you on the pool deck!

Leslie
